June 2024

Welcome to L'Arche Australia Mid-Year Newsletter
We continue to live life to the full within our communities as we live out our L'Arche mission

Financial support is crucial for L'Arche to continue the Mission and provide the necessary resources and support for the communities.

The L'Arche Australia National Listening and Speaking Group of people living with disability meets twice a year to give advice about decisions that affect people with disability within communities.

L'Arche Australia strongly supports the principles and requirements of the United Nations Convention on the rights of persons with disability to have equal rights in all aspects of their lives. Our need is financial support is for members with disability to meet in different states.

IN GRATITUDE OF YOUR GENEROUS DONATIONS.

We are in deep gratitude for all who continue to give on regular basis to work of L'Arche Australia.

You truly make a difference in the lives of people living with an intellectual disability across our communities in Australia.

One L'Arche Solidarity

L'Arche Kenya:

Through your generous support of solidarity we achieved the target for the community to purchase two much needed motorbikes for their outreach program.

There is a huge excitement with the bikes arriving.

Their Disability Outreach program links the organisation to the local community by providing spaces for people with intellectual disability to make known their gifts and offering services to children, youth and adults.

Some of the activities include:

- Advocacy forums at the grassroots level to advocate for the inclusion of persons living with a disability
- Community engagement and mobilization to address the issues that persons living with a disability encounter.

“ As we move forward, know that your support fuels our mission

Thank you for standing with us ”
